It is a matter of choice.  
It is not a thing to

It is a thing to achieve.

 It's hard to believe that we  
 are actually  
 going to  
 graduate in  
 just a  
 few days.  
 It's been fun  
 in your class  
 these past

 it - "interesting"  
 having 5 H. of  
 you and Arliss!  
 Thank you for

It sure was fun this year

and we can party as much as we  
want to, so take it easy at the

Dan: Here we are,  
we finally made  
it and it feels  
great. We have  
shared a lot  
of laughs over  
the years that  
I will never forget. I  
am so glad that  
we have become  
good friends over  
these past two  
years. I will  
probably never  
forget Prom, nor  
will I ever  
live it down.  
But who cares  
right? I also

want to thank you for keeping  
quiet about my little experience  
with that chew. I feel so dumb,  
but at the time I had no idea  
what was going on! You know  
now that goes. I guess what it  
comes down to is that I am  
very grateful for your friendship  
and I hope we always stay  
friends. We'll have to get in  
touch after graduation and party  
together again in Willmar.  
Always keep your terrific sense  
of humor, it cheers people up!!

Dan -

This year is almost over and then you'll be saying good-bye to this wonderful school and you'll be going out into the big world. Can you handle that? I know you can handle anything in this world and everyone! I'll never forget the day down at Sibley (you little shit) when you & Rick decided to get sweet Loui who didn't do anything to you, so you got me all wet. To tell the truth I had a great time getting all wet and getting you guys back was just as fun. I guess I can honestly say you're one hell of a fun guy! And I know I'll miss you next year, I'll miss all the crap you always give me but I don't mind when it comes from such a nice guy like you. I suppose when you go off to the big town of Willmar and go to the big college I bet I won't see ya anymore. I suppose you'll be at a party every weekend and you'll be living the good life - in which you deserve. I ~~think~~ think everyday in Accounting Class would have been one boring hour if it wasn't for your cute faces that make me smile all the time. I guess you could make anyone smile. I just wanna wish you all the luck in the world and you keep on being yourself and I guarantee you'll go a long way. Just remember me when you're rich and famous! <sup>Ha</sup> Hopefully I'll see ya around after you split this joint for good. Keep on smiling and Dan try to stay out of trouble - which I know is hard! Thanks for being such a good friend!

Love,  
Loui
